

September 2023

Dear Parents/Carers,

Swanshurst School offers a wide variety of after school clubs. These clubs focus on engaging all our pupils in interesting activities that widen and enrich their curriculum and experience within school.

Please find the link below that demonstrates all of our exciting opportunities:

<https://www.swanshurst.org/wider-curriculum/1627.html>

All of our clubs are open to pupils of all years and of all abilities. SEND students will be supported by staff who know them and their unique needs. We will scaffold any activities to allow all to access the opportunity we are offering. The clubs will focus on fun and engaging topics to stimulate the minds of our students and allow them to develop important new skills. We hope this will further foster a love of learning and increase students' opportunities to challenge themselves, something we hold at the heart of Swanshurst School's curriculum.

All our clubs will help to expand on our 'pledge' to our students, which centres around the Swanshurst values that all our students are:

- Kind and Respectful
- Resilient
- Creative
- Independent
- Aspirational
- Reflective
- Confident Communicators

We implement the school reward system of Recognition Points and allow lots of opportunity for praise in the sessions. For pupils performing very well, we can also send praise postcards home.

If you agree to your child taking part in an after-school club, please complete the Microsoft Form below and indicate which club your child would like to attend:

Please indicate on the form if you will collect your child at 16:05 or whether they should make their own way home when you will take responsibility for their safety.

Yours sincerely,

Mr N Oliver
