

7th May 2024

Dear Parents / Carers,

Re: Year 11 End of Year

As the end of the academic year approaches, I want to take a moment to express my sincere gratitude to each and every one of you for your unwavering support throughout the last five years. Your dedication and involvement have played a significant role in shaping the journey of our students through their secondary education, and for that, we are truly thankful.

With the GCSE and BTEC exams now underway, I would like to extend my best wishes to all Year 11 students for their upcoming exams. The culmination of years of hard work, dedication and perseverance will be put to the test as they sit their exams. Please convey our confidence in their abilities and reassure them that they are well-prepared to tackle these challenges head-on.

The last day before study leave of Year 11 falls on Thursday 23rd May 2024 following the English exam. It will be a momentous occasion as we gather for the 'Leavers' Assembly' to celebrate the achievements and memories shared throughout their time at our school. This will be a time of reflection and a chance to bid farewell for the summer.

Considering the upcoming exams, I want to remind you that our school will be available to support any student who wishes to use a room for last-minute study sessions before their final exams throughout June. We understand the importance of having a conducive environment for focused revision, and we are committed to providing the necessary resources to facilitate success. If you would like your child to stay in school for the remainder of the exam season with a study space made available, please complete the following link: <https://forms.office.com/e/DCcte9FwaW>

Once again, I extend my heartfelt appreciation to all Year 11 parents and carers for your continuous support and partnership in the education of our students. Together, we have laid the foundation for their future success and I have every confidence that they will excel in their GCSE and BTEC exams.

Wishing your child the very best of luck for their exams and we look forward to celebrating their achievements together on Results Day on Thursday 22nd August 2024.

Yours sincerely,

Ms R Cheema
Head of Year
