

30th April 2024

Dear Parents/Carers,

Re. Year 13 Final Report

Your daughter's final Year 13 report is now available to view in Edulink. It crucially details her **predicted grades** for results this summer.

Please note, that if she has applied to university through UCAS she must now make her **firm** (1st) choice and **insurance** (2nd) choice of course & university. She should use the predicted grade data on her report to help her make an informed decision. These choices are made by logging on to her UCAS account.

This page of the UCAS website below should answer any questions you or your daughter may have regarding the process of final decision making:

<https://www.ucas.com/undergraduate/after-you-apply/types-offer/replying-your-ucas-undergraduate-offers>

The deadline to make this selection, for most students, is **before 6th June 2024**. If students miss this deadline, they risk being withdrawn from the courses offered.

All students hoping to attend university this autumn **must** apply through Student Finance. This is the case for all students, even those who may wish to self-fund their places as this information is collated by Student Finance for universities. The deadline to complete Student Finance is 17th May 2024. Information can be found here, with a link to the application: <https://studentfinance.campaign.gov.uk/>

All students not intending to go to university this year have received information via email regarding apprenticeships and employment pathways.

Please contact 6th form team on sixthformpostbox@swanshurst.org with any questions or queries. Mrs Beckford is also available on dbeckford@swanshurst.org until the end of the school year and beyond to answer any progression queries.
