Swanshurst School

September 2026

Dear Parents / Carers

Wider Curriculum Permission Letter

At Swanshurst School, we offer a wide range of after-school clubs and activities. These give pupils the chance to try new things, learn new skills, make friends, and enjoy new experiences outside of lessons.

We want every pupil to feel welcome and encouraged to take part.

Please visit the link below to see examples of our after-school activities. The timetable for this term will be updated by 21st September 2026.

All clubs are open to every pupil. Pupils with SEND will be supported by staff who know them well, and activities will be adapted where needed so that all pupils can take part and enjoy the experience. The clubs are designed to be fun, interesting, and engaging. They help pupils build confidence, learn new skills, and develop a love of learning.

Our wider curriculum supports the Swanshurst Pupil Pledge. We want all pupils to become:

- Kind and respectful
- Resilient
- Creative
- Independent
- Aspirational
- Reflective
- Confident communicators

Pupils who take part can earn Recognition Points and receive praise for their achievements. We also celebrate commitment to the wider curriculum through our 'Swanshurst Oscars' Awards.

If you would like your child to attend an after-school club or activity, please complete the Microsoft Form using the link or by scanning the QR code below. On the form, please select the club your child would like to join.
